Note 1: The “Opening Shots” and “Closing Shots” competitions are both PDI competitions and both will be judged by an external judge. Therefore points awarded for this competition will count towards the Photographer of The Year award. Members may enter two images for each competition and they must have been taken within the 12 months prior to the competition date.

Programme as at 13th July 2020 (a)

Note 2

Please remember we are still in 'strange times' and so there may be changes to the programme (but hopefully not). See the web site for the latest version.
